Make the decision that will change your life – have your vision corrected with laser eye surgery – no more glasses – no more contacts. Think of the money you will save every year! The Bochner Eye Institute has been in business for close to 80 years and over the past decade its surgeons; Dr. Harold Stein, Dr. Albert Cheskes and Dr. Raymond Stein (graduates of the Mayo Clinic), have performed innumerable laser eye surgeries to correct common vision problems like nearsightedness, farsightedness and astigmatism.

All laser eye surgery candidates must be deemed to be a medically suitable candidate for either a LASIK or PRK procedure. The surgery will be performed at a date and time that is mutually agreed to by the bearer and The Bochner Eye Institute. In the event that the bearer is not found to be a medically suitable candidate, the certificate can be transferred to another individual who is. This certificate cannot be redeemed for cash.
